Install Client Software

You can install the most recent printer drivers and device monitors onto your computer. Select the components you want to install from the list below.

To run the install program, you may be asked for permission to run ActiveX Controls(or Applets in the case of Netscape) and plug-ins. When asked whether you want to run these, answer 'Yes'.

Print Drivers
Fax Driver
Unix Filters
Macintosh PPD Files
Scan Driver

Software Component	Description	Size
<input type="checkbox"/> SC3-DocMon	Document Monitor	<div style="border: 1px solid black; padding: 2px; display: inline-block;">Install</div>
<input type="checkbox"/> PCL6 Printer Driver	PCL6 Printer Driver	
<input type="checkbox"/> PSL3 Printer Driver	PSL3 Printer Driver	
<input type="checkbox"/> TOSHIBA IPP Port Monitor	TOSHIBA IPP Port Monitor	
<input type="checkbox"/> AGFA True Type Fonts	AGFA True Type Fonts
